

SUPPORTING THE YOUNG PEOPLE OF THAME

Youth Café Consent Form - COVID Supplement

Dear All,

We are so pleased we can resume running the café again and begin to see the young people again. However, as with everything, things have changed. **Please read information carefully.**

We have taken all necessary measures recommend by the government to do our best to keep everyone safe. Here is what we are doing to keep everyone safe.

- We will be running shorter sessions. This means we can reduce the time spent inside as well as being able to see more young people each week.
- We will be reducing reduced numbers. Current guidelines limit us to 15 young people plus leaders per session. Youth provisions are exempt from the *Rule of 6*.
- Sessions will be split by school year to reduce bubbles mixing.
- We have adopted a rigorous cleaning routine. We will clean the venue prior to young people entering. All equipment and seating will be cleaned between users. As we will have two session each day, we will clean the entire venue between the two groups.
- Please note the new venue – Thame Barns Centre. This is a temporary location.
- We will plan our crafts and activities so that they can be done without having to share resources.
- Young people will be required to sanitise their hands upon entry and exit. Sanitisers will be available in venue in addition to handwashing facilities.
- Please DO NOT attend any Youth Café if the young person or member of their household:
 1. is currently displaying COVID-like symptoms.
 2. has displayed COVID-like symptoms in the 14 days before attending the café.
- If they develop symptoms with 7 days of attending a café session, please inform us and use the Track and Trace system and follow their advice.

Rules: There are some rules we must implement in run the Café.

1. Only come if registered.

If young people have not signed up and been confirmed for that week, we will not allow them entry. It is not possible to manage numbers and follow guidelines with a drop-in session.

2. Masks.

We know they are horrible. We know you don't like them. But they must be worn in the venue. It is a condition of hire. And it is an effective and simple way to stop the spread.

3. Follow the latest COVID guidelines.

We will try to keep you informed of changes, but please do try to be informed prior to attending.

4. No access to any other part of the venue.

Unless given permission by a member of the team, stay in the area the café uses. Other people may be using other areas in the venue and we are not to mix.

5. Arrive on time.

Please be punctual. Time is limited but we also cannot have groups waiting outside.

6. No re-entry.

You won't be able to pop into town to get some chips and come back.

7. Leave on time.

The team have a lot of cleaning to do. Please help us by leaving when your session is over.

8. Listen to TYP staff & volunteers. This is a standard rule of all our activities.

We know it's a lot to take in but it's necessary to return. Here is what will be available once inside!

Organised Activity

This may be a craft, a quiz, bingo. If you've got ideas of something we could do, then share!

We love to hear the ideas from young people.

Seating

Somewhere to sit and chat with friends.

Consoles

We will only have a couple each week so we may reduce the time you can spend on one to allow others to have a go.

Food & Drink

There will be packaged snacks and canned drinks. Again, we'll need to limit the amount each young person takes. We'd also like to hear what snacks and drinks you've like.

To organise and include everyone, we will need to change who can attend each week. There is a table on the following page to inform us the weeks you would like to join us.

Additionally, please use the form below to let us know the names of a couple of friends you would like to be at the same session with.

If you would like to talk with about anything in this letter or something else related to the café, please do get in touch.

Kind regards
